

Algar Safaris, Patagonia

About Patagonia

The majestic Red Stag is the most demanded trophy in our area and we are proud to say we offer the unique “Monster” red stag. It’s important to mention we hold the world’s third largest population of Pere David’s deer and Algar is the only place in the world where Pere David’s deer can be hunted free range. In Big game hunting we are proud to say we offer the highest trophy quality you will ever find in our country, and the world. All trophies are awesome and guaranteed to make the record book. You will find more than 15 different species in our 85.000 acre private ranches, we really offer the very best fair chase and also free range hunting. Believe us, when you´re there, you´ll feel that there’s nothing but you between heaven and earth.

The Outfitter

After tremendous success, Trek Safaris and Algar Safaris continues to offer the most complete free range experience for no size limit Red Stag in the renowned Patagonia Argentina. Algar Safaris is Argentina’s leading outfitter and has an outstanding reputation in the hunting industry. Since 1991, Algar Safaris has always offered the finest Big game hunting in Patagonia. All the staff, including the owners, are perfectionists when it comes to customer service, giving the hunter not only a lifetime experience but also, top notch accommodation and service in one of the most breathtaking settings on earth.

The Hunting

Algar Safaris has one of the most reputable names in the fraternity of Red Stag outfitters since 1991. Combine this with Trek's professionalism and logistical expertise and you have the one of the finest stag hunts offered. Trek has partnered with Algar to provide an exclusive package available for only Trek clients on a true free range, no size limit hunt targeting large Red Stag from March through June. For the sportsman looking to hunt the beauty of Patagonia without the physicality of the interior Andes, Algar's 65,000 acres of diverse terrain is your ticket. You can experience rolling hills, grass valleys and thick forest that provide wonderful nutrients and are all favorite habitats of stag. Algar is also home to fallow & axis deer, Pere David's deer, European boar, and several varieties of sheep & goats. Algar specializes in hosting bow hunters and has become one of the leading authorities on free-range bow hunting for stag.

The Accommodations

For this hunt, our main stay will be Algar Lodge about an hour north of Bariloche Argentina that was recently renovated to include six bedrooms all with the comforts of a five star hotel including daily laundry, satellite TV, and WiFi. The lodge lies among the shadows of the Andes in a beautiful valley where you can spot stag roaming through the front windows. The cozy living room with large fireplace is a great place for several hunters to share stories and reflect on the day. You will enjoy the wonderful Argentine meats prepared by the fully trained chef along with a full selection of Argentine wines. Algar Lodge is truly one of the finest stag hunting lodges in Argentina.

Getting There

Following an overnight flight into Buenos Aires, our ground agent will be on hand to receive you and help clear your guns. From here, you will be transferred across town to the domestic airport and connect with a flight to San Carlos de Bariloche arriving around mid-day. A member from Algar Safaris will greet you and transfer you about an hour to the lodge where you will sight your rifle and enjoy the remainder of the day. The next five days will be full hunting days Pricing is subject to change and excludes any fuel surcharges. with guide for stag and any other animals should you choose to hunt. The final day you will have one last opportunity to harvest an animal, if you have not done so, before your flight back to B.A. and overnight flight home.
