

Inti Malal Lodge, Argentina

The Hunting

Dove hunting in Tucuman is a little different than other areas of Argentina. You are up early and out to the field for a three-four hour hunt. After the hunt we will go back to the lodge for lunch and siesta before heading back out for the afternoon hunt. We will shoot over sorghum and sunflower fields in the morning and either waterholes or roots in the afternoon. The afternoon waterhole hunts are a sight to behold; many thousands of doves circling small potholes or lagoons. Drastic topographic changes and vegetation diversity, make of this region an extremely wild and overwhelming spot. In this environment, with several ruralized areas, doves have found an ideal space for proliferation, nowadays of alarming proportions.

The Accommodations

The Inti Malal Lodge sits on 225 acres and has 14,000 square feet of comfort, offering eight bedrooms all with private baths, a Jacuzzi with spa and dry sauna, a large living area and a veranda with a deck and fire pit that overlooks 80 acres of sorghum and sunflower. Gustavo has made sure his wine cellar represents Medoza's finest wine as well as imported Cuban cigars for those who wish. The chef from Hosteria San Huberto, the Olsen family's world class and wildly popular trout lodge in Patagonia, will arrange meals. An exuberant vegetable garden cooperates with chef Javier Painefilu to offer healthy and delicious dishes for our guests, including traditional meals and chef's specialties.
