ABOUT COSTA RICA

Triple digit Tarpon are waiting at either of our two locations to test your strength and endurance. Whether you choose Silver King or Rio Parismina, you'll have such a good time that you won't be able to wipe that smile off your face. As the fall season winds down everyone is looking towards the hot fishing coming this Spring. The landscape is comprised of tropical forest, fluvial islands, channels and swamp lands. With its many rivers, creeks and lagoons, this is a fantastic place to fish, and is among the best sport fishing destinations in the world. Snook, Snapper, Mackerel and Tarpon are main sport fish caught around here.

THE FISHING

Silver King Lodge

The tarpon fishing is done aboard 23 foot deep V hulled boats just outside the mouth of the mighty Rio Colorado. If back water, light tackle fishing is to your taste, you can try your hand at the Guapote and Mojarra found in these waters.

Rio Parismina Lodge

The next morning you will be flown out to Rio Parismina where lodge manager Fernando Gonzales will meet you and get you settled in. After breakfast and a quick run down of the program, you will get geared up and head right out to fish. You will return for lunch and a siesta in the mid day and then will head back out around 2:00pm to fish until dusk. You will then have time to relax around the pool with appetizers and cool drinks while dinner is being prepared.

THE ACCOMIDATIONS

The Silver King Lodge offers spacious air-conditioned cabins with ceiling fans and private baths. Recent additions of a Jacuzzi, swimming pool, sauna, masseuse and flat screen televisions with satellite in all rooms, are really the crowning touches on this deluxe lodge. All your meals are served family style with plenty for everyone. Visitors can also take a "Jungle Cruise" where they will likely see Iguanas, Keel-Billed Toucans, Caimans, Crocodiles, and Spider and White-Faced Monkeys. Less commonly seen are the endangered West Indian Manatee, Ocelot and Jaguar.
